

The Fiber Society's Spring 2017 Conference

Next Generation Fibers for Smart Products

May 17–19, 2017

Institut für Textiltechnik der RWTH
Aachen, Germany

Call for Papers

The Fiber Society seeks papers on fundamental research related to the science and engineering of fibers and fibrous materials for its 2017 Spring Conference, scheduled for May 17–19, 2017, at the Institut für Textiltechnik der RWTH, Aachen, Germany. Submissions of original work related but not limited to the following themes are welcomed:

- Fiber Formation, Structure, and Properties
- Fiber Characterization and Testing
- Textile Factory in the Future
- Smart Polymers, Fibers, and Textiles
- Fibers for Biomedical Applications
- Biobased Materials
- Composites
- Nanofibers
- Yarns and Fabrics: Processes, Structures, and Properties
- Modeling and Simulation of Textiles and Processes
- Functional Fibers
- Plastic Optical Fibers
- Textile Machinery
- Nonwovens
- Reinforcing Fibers
- Multimaterial Fibers

Online submissions are currently being accepted. Access the Fiber Society website at thefibersociety.org and follow the link for submission; **do not** email your submission. Formatting guidelines for oral and poster abstracts are provided online. Submissions **must be** in the proper Word document format; no PDFs. **Submission deadline is extended to 03/13/2017**. Notification of acceptance will be no later than 04/01/2017.

Conference registration will be online through the Fiber Society website. Up-to-date information about the conference, hotel accommodations, travel, and more will be available on the website as details are finalized.

For inquiries regarding technical content, contact fibersociety@ita.rwth-aachen.de. For questions concerning the abstract submission process and conference registration, contact Pam Gabriel (pam.fibersociety@gmail.com).
