### *Call for Submissions*

The Fiber Society seeks papers on fundamental research related to the science and engineering of fibers and fibrous materials for its Spring 2025 Conference, scheduled for May 21–23, 2025, at The Hong Kong Polytechnic University, Hong Kong. Submission of original work related but not limited to the following themes are welcomed:

- New and Advanced Fibrous Materials
- Intelligent Wearable Technologies
- Healthcare and Biomedical Applications
- Fibers for Energy and Environment
- Fibers for Comfort and Protection
- Sustainable Fibers and Textiles
- Fiber Composites and Industrial Textiles
- Fiber-based Sensors, Actuators, and Batteries
- Modeling, Mechanics, and Fiber Testing
- Fibers for Fashion, Culture, and Business
- Fiber+: AI, Robots, Metaverse, and Emerging Technologies

**Online submissions only are currently being accepted.** Access The Fiber Society website at [thefibersociety.org](http://thefibersociety.org) and follow the link for submissions; **do not** email your submission. Formatting guidelines for oral and poster abstracts are provided online. Submissions **must be** in the proper Word document format; no PDFs. **Submission deadline is 04/01/2025.** Notification of acceptance will be no later than 04/11/2025.

Conference registration will be online through the Fiber Society website. Up-to-date information about the conference, hotel accommodations, travel, and more will be available on the website as details are finalized.

For questions concerning abstract content, the submission process, and conference registration, contact Pam Gabriel ([pam.fibersociety@gmail.com](mailto:pam.fibersociety@gmail.com)).
