*Advancing Scientific Knowledge
Pertaining to Fibers and Fibrous Materials*

The Fiber Society's Fall 2024 Technical Meeting and Conference

Come to Where the Future of Fibers Is

ENSISA–Université de Haute-Alsace
Mulhouse, France

October 23–25, 2024

Call for Submissions: EXTENDED

The Fiber Society seeks *abstract submissions* on fundamental research related to the science and engineering of fibers and fibrous materials for its Fall 2024 Technical Meeting and Conference, scheduled for October 23–25, 2024, at ENSISA–Université de Haute-Alsace, Mulhouse, France. Submissions of original work related but not limited to the following themes are welcomed:

- Composites
- Biomedical Textiles
- Smart Textiles
- Bio-sourced Fibers
- Textiles Recycling
- Numerical Cloth Design and Simulation
- Textile Surface Topography, Tribology, and Surface Characterization
- Fibrous Constructions: Design, Characterization, and Modeling

Access The Fiber Society website at thefibersociety.org and follow the link for submissions; **do not** email your submission. Formatting guidelines for oral and poster abstracts are provided online. Submissions **must be** in the proper Word document format; no PDFs. **Extended submission deadline is 09/20/2024**. Notification of acceptance will be no later than 09/23/2024.

Conference registration will be online through The Fiber Society website. Up-to-date information about the conference, hotel accommodations, travel, and more will be available on the website as details are finalized.

For questions concerning abstract content, the submission process, and conference registration, contact Pam Gabriel (pam.fibersociety@gmail.com).
