Call for Papers

The Fiber Society seeks papers on fundamental research related to the science and engineering of fibers and fibrous materials for its Spring 2019 Conference, scheduled for May 20–23, 2019, at The Hong Kong Polytechnic University, Hong Kong. Submission of original work related but not limited to the following themes are welcomed:

- New and Advanced Fibrous Materials
- Natural Fibers, Discoveries, and Applications
- Fibrous Materials for Emerging Applications
- Fibrous Materials Characterizations
- Technologies for Fibrous Materials
- Sustainable Textile/Fibrous Materials
- Big Data and Artificial Intelligence in Textiles
- Fibrous Materials and New Fashion
- Education in Fibrous Materials and Their Applications
- Sustainability in Fibers and Their Applications
- Supply Chain Dynamics of Fibers and Fibrous Materials
- Cultural Aspects of Fibrous Materials/Textiles

Online submissions only will be accepted beginning 12/15/2018. Access The Fiber Society website at thefibersociety.org and follow the link for submissions; **do not** email your submission. Formatting guidelines for oral and poster abstracts are provided online. Submissions **must be** in the proper Word document format; no PDFs. **Submission deadline is 03/01/2019.** Notification of acceptance will be no later than 03/15/2019.

Conference registration will be online through the Fiber Society website. Up-to-date information about the conference, hotel accommodations, travel, and more will be available on the website as details are finalized.

For inquiries regarding technical content, contact Jinlian Hu (jin-lian.hu@polyu.edu.hk). For questions concerning the abstract submission process and conference registration, contact Pam Gabriel (pam.fibersociety@gmail.com).
