The Fiber Society's Fall 2026 Technical Meeting and Conference

Harmonizing Functionality with Sustainability

**Indian Institute of Technology (IIT) Delhi
India**

October 14–16, 2026

Call for Submissions

The Fiber Society seeks *abstract submissions* on fundamental research related to the science and engineering of fibers and fibrous materials for its Fall 2026 Technical Meeting and Conference, scheduled for October 14–16, 2026, at the Indian Institute of Technology (IIT) Delhi. Dr. Bipin Kumar will chair the conference. Submissions of original work related but not limited to the following themes are welcomed:

- Sustainable Fibers and Textiles
- Composite and High-performance Fiber Applications
- Functional Fibers and Advanced Fibrous Materials
- Smart Textiles and Wearable Systems
- Textile Recycling, Circularity, and Textile Waste Valorization
- Biomedical and Healthcare Textiles
- Textile Surface Topography, Tribology, and Surface Characterization
- Fiber Structure, Mechanics, and Modeling
- Textile Manufacturing Innovation and Digitalization

Online submissions only are being accepted. Access The Fiber Society website at thefibersociety.org and follow the link for submissions; **do not** email your submission. Formatting guidelines for oral and poster abstracts are provided online. Submissions **must be** in the proper Word document format; no PDFs. **Submission deadline is 07/31/2026.** Notification of acceptance will be no later than **08/10/2026.**

Conference registration will be online through The Fiber Society website. Up-to-date information about the conference, hotel accommodations, travel, and more will be available on the website as details are finalized.

For questions concerning abstract content, the submission process, and conference registration, contact Pam Gabriel (pam.fibersociety@gmail.com).
